SALTNEY TOWN COUNCIL

ANNUAL REPORT 2025-2026

A Brief Introduction to the Report

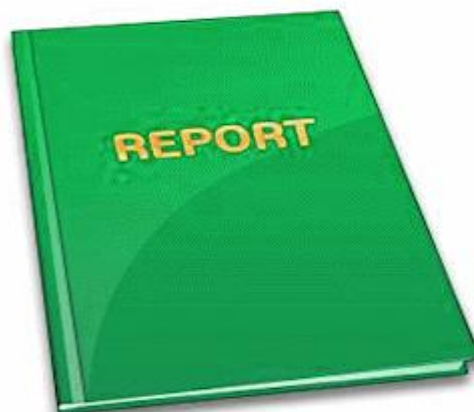

1 This Annual Report sets out to inform our residents of Saltney and Saltney Ferry, about the activities undertaken by the Town Council. This Report will contain a brief outline of the structure of the Council, an overview of a financial summary, details of all the Town Councillors, the Town Clerk and Responsible Financial Officer, and how to contact the Council.

2 Wales faces a number of challenges now and in the future, such as climate change, poverty, health inequalities, jobs and growth. To tackle these challenges, we need to work together in order to give current and future generations a good quality of life, and we need to think about the long-term impact of the decisions we make today. We should bear in mind the impact that the Covid-19 pandemic had and some case still has on our residents, the local economy and of course the impact of the recovery process which will be needed over the coming years.

3 The Well-being of Future Generations (Wales) Act 2015 provides a legally-binding common purpose – the seven well-being goals – for national government, local government, local health boards and other specified public bodies. It details the ways in which specific public bodies must work, and the importance of working together to improve the well-being of Wales. There is a specific duty under section 6 of the Environment (Wales) Act 2016, to produce an annual plan on how the Council contributes to the climate change and biodiversity plans for the area. A copy can be accessed via the following link:

4 The Town Councils Annual Report outlines how Saltney Town Council has and will continue to contribute to the seven well-being goals for the community of Saltney and Saltney Ferry and covers the municipal year 2025-26.

Section 2 – Saltney Town Council – A Little bit of history

1 Saltney is a unique cross border town which is divided between Flintshire, Wales, and Cheshire, England. The Town is intersected by the England-Wales border, with its larger part being a community of Wales, in the historic County of Clwyd. The Town forms part of Chester's built-up area and is around 5 miles from Deeside and boarder with Cheshire West and Chester, Saltney is located next to the River Dee.

2 Saltney's name is derived from the former salt marshes by the River Dee on which it is built. Once the terminus for Sir John Glynne's Canal, Saltney grew in the late nineteenth century and through the twentieth century to its present-day population of around 5,000. Saltney Ferry Railway Station was open between 1891-1962.

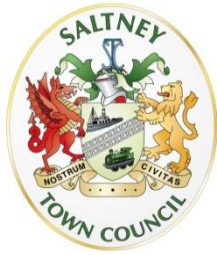

3 Saltney was a prime location for shipbuilding and in particular chain-making and the manufacture of anchors. The local firm Henry Wood & Company was first to establish an engineering works on the west bank of the River Dee in 1847, with further industrial development continuing into the 1880's.

4 Saltney Town Council was formed in the 1960's. The Town Council originally comprised of 2 electoral wards Mold Junction, Saltney Ferry and Stonebridge, and still remain as so today. There are currently fourteen Councillors representing a population of approximately 5,000. Individual Councillor details are listed at the end of the report . At the head of the Council is the Mayor, who is elected annually in May, for the municipal year, this appointment is done from amongst its serving Councillors. The Town Council employs one member of staff the Town Clerk and Responsible Financial Officer on a full-time basis.

Section 3 – the Seven Wellbeing Goals for Wales

1 The summary of the Council’s activities that follows is based upon the seven well-being goals of the Well-Being of Future Generations (Wales) Act 2015 (hereinafter called the “Act”). The Act defines sustainable development as the process of improving the economic, social, environmental, and cultural well-being of Wales by taking action , in accordance with the sustainable development principle, aimed at achieving the well-being goals.

2 Saltney Town Council recognises the role that it needs to play in promoting sustainable development and how it goes about meeting its duty under the Act whilst continuing to work for and with its local communities.

3 The well-being goals are indivisible from each other and explain what is meant by the well-being of Wales. The Town Council embraces these well-being goals and will place them at the heart of its planning and decision-making process to improve the general quality of life (well-being) within its administrative area. The seven goals are as follows in accordance with the Act.

A Prosperous Wales	Cymru Lewyrchus
A Resilient Wales	Cymru Gydnerth
A Healthier Wales	Cymru Iachach
A More Equal Wales	Cymru sy’n fwy Cyfartal
A Wales of Cohesive Communities	Cymru o Gymunedau Cydlynus
A Wales of Vibrant Culture and Thriving Welsh Language	Cymru A Diwylliant Bywiog lle mae'r Gymraeg yn Ffynnu
A Globally Responsible Wales	Cymru sy’n Gyfrifol ar Lefel Fyd-eang

The Act requires the Council to think about the long-term impact of its activities on the community. The Council needs to work together with key partners and agencies in order to achieve these goals. The profile of the community can be accessed via the following link:

The Clerk and Responsible Financial Officer, continues to work towards a paperless office transferring files from paper to electronic, where possible, The use of email as a form of communication has greatly increased and large documents are circulated via email rather than in paper copy. The Town Councils Council and Committee agendas and reports are all circulated by email. During the onset of the Covid-19 pandemic the introduction of The Local Authorities (Coronavirus) (Wales) Regulation 2020 enabled the Town Council to hold Hybrid meetings and use electronic forms of communications including summons' to meetings. This was substantiated with the introduction of the Local Government and Elections (Wales) Act 2021. This continues to be a positive way moving forward with hybrid meetings and electronic agendas to help save our planet.

2 The total amount of income for the Town Council is the precept which comes from Flintshire County Council quarterly.

3 The Town Council had not raised its precept in more than 15 years' and had worked extremely hard to maintain a 0% increase for the Council's precept each year. Sadly, in recent years with the financial climate constraints, it has not been necessary to maintain a 0% increase.

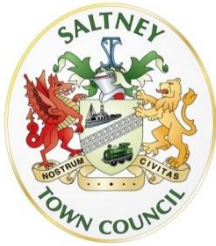

4 The Town Council's precept is relatively low compared to other Town and Community Councils within the County of Flintshire; please view the Council Tax Budget leaflet via this link:

Section 5 – ‘A Competent Council’

- 1 The future is challenging for Town and Community Councils in Wales. Welsh Government recently conducted a review of this tier of government, and the findings can be viewed via the following link

<https://gov.wales/docs/dsjlg/publications/localgov/180807-independent-review-panel-en.pdf>

2 The Town Council is subject to internal and external audits to ensure that it manages public finances appropriately. Thanks to the diligence of the Town Clerk and Responsible Financial Officer working closely with the Chairman of Finance, the Town Council's finances are in good order. The Town Council still has an outstanding audit for due to problems with Audit Wales, the Town Council has submitted the audits to Audit Wales on time.

3 The Local Government and Elections (Wales) Act 2021 which was introduced in April 2021 allows for the local councils to use the “General Power of Competence”. This can be applied where a council has a qualified clerk, two thirds of its members have been elected, and it has two years unqualified audits. Unfortunately, due to the delay in processing the audits, the Town Council is unable to apply for the General Power of Competence at this moment in time. This matter will be debated by the Town Council in due course.

4 All Town Council agendas, minutes accounts and contact details can be viewed via the Town Council's website or by emailing the office at townclerk@saltneytowncouncil.gov.uk. or on the Town Councils website <http://www.saltneytowncouncil.gov.uk/default.aspx>
