

COUNCILLOR VERONICA GAY

Saltney Town Council are saddened by the recent passing of Councillor Veronica Gay.

Councillor Gay became a Flintshire County Councillor and Saltney Town Councillor in 2008.

Having served and supported the Saltney community and its people, tirelessly and with passion, she championed and supported many local community groups.

She was excellent at problem solving and understanding the needs of the community she represented. She worked with local people, voluntary and community organisations, to help shape the future of Saltney, building strong community relationships and encouraging people to get involved and share their views and ideas.

A stickler for strategies, policies and plans to help achieve a better vision for the people of Saltney was one of her priorities.

She always strived to support the local community in order to help deliver the local priorities.

Councillor Gay was feisty, determined, and she cared for her local community.
